Andrea Calabró

Lead Certified Spanish Instructor, Andrea teaches Spanish as a Foreign Language. [Find out more](#) about Andrea and how she can help you improve your Spanish language skills.

Accent Reduction

Is your accent distracting to the listener? Does it affect your self-confidence? [Contact us](#) about our proven program to reduce your accent and polish your English language skills.

The Book Corner

Have you ever wondered how bilingualism affects your cognitive skills? If you understood how your brain learns, maintains and uses more than one language would you be able to better manage your language skills? "[The Bilingual Brain: And What It Tells Us about the Science of Language](#)", by Albert Costa, John W. Schwieter, explains the science of bilingualism in people of all ages from throughout the world. The data is limited but here in one volume we can learn about the effects on mindset, empathy and decision making skills that result from being bilingual. Easy to read, it is available as an audio-book.

Our newsletter is also available in Spanish.

Beacon BCS Thanks You!

Our Clients Are Our Greatest Asset

For the past five years, the Beacon BCS family has grown in 12 countries and on 4 continents. Since the Covid-19 outbreak, we have been serving serve our students and clients in our virtual classroom. Join us in celebrating our success by forwarding this newsletter to your friends and colleagues.

How do I say it in Spanish?

***What difference
does it make?***

Am I too old to learn a new language?

What is the best age to learn a second language? Do children have the advantage over adults? Sophie Hardach explains that it is never too late, in this [BBC report](#). Read about benefits (and challenges) of adult learners of new language skills. [Then contact us](#) to start learning or improving a second language.
